

LADIES APPAREL

Turning the page on women having to wear men's polos. The Taylor Touch provides suitable, comfortable, and companion styles to ensure women look the part of the team while maintaining their individuality. The offering dedicated to ladies provides many companion styles that are cut differently for a better fit as well as accessory pieces that allow for layering and comfortable options for all occasions. Taylor Communications brings the full line of ladies options to the table to compliment any gifting or any employee apparel/uniform program.
